

## Border Fine Arts Classic Launches Two Brand New Breed Studies

All Border Fine Arts Classic sculptures are entirely hand crafted in their studios in the Scottish Borders by highly trained craftsmen.

Comprising nostalgic farming scenes, magnificent wildlife studies and even the occasional urban encounter — the broad range of subjects represented is guaranteed to hold something special for everyone.

Seven new figurines are being introduced for January 2016, each featuring a different subject matter: **Sleepy Heads**, featuring collie puppies sleeping with a lamb in between them; **Woodland Venture**, featuring a fox and two cubs; **Winning Salute**, depicting a jockey and horse finishing a race; **The Bid's to You, Sir!**, capturing an auction scene; Root and Grain, featuring an International 475 tractor in a cow shed — plus two brand new breed studies: **Greyface Dartmoor Ewe & Lambs** and **Blue Grey Cow with Cross-bred Calf**.

Don't forget the special painting service available meaning each collector can make their Classic figurines personal to them!
