

Grumpy Cat joins GUND® soft toys

Famous for her downtrodden disapproving expression and quirky appearance, Tardar Sauce has gained worldwide notoriety on social media as Grumpy Cat. Disgruntled she may look but as a GUND® soft toy Grumpy Cat is disarmingly attractive!

The cat, Tardar Sauce, was born in 2012 and is a mix of a calico domestic short hair and a grey and white of no defined breed. However her extraordinary looks and miniature size point to the feline dwarfism gene and she became famous soon after her photo was posted on Reddit in September that year. Now Grumpy Cat, as she is internationally known, and her exploits are followed by 14 million viewers on YouTube, four million followers on Facebook, one million fans on Twitter and 300,000 on Instagram. She's even appeared on American TV.

The Grumpy Cat toy is beautifully made by hand in GUND's trademark style using soft tactile plush, and her charismatic look is captured for all to enjoy.
