

## Introducing two fabulous new designs by Erin Smith

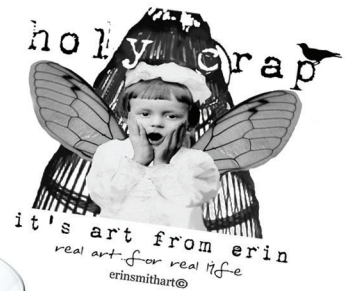

Two fabulous new designs are being introduced in the January 2014 Erin Smith launch, inspired by the quirky and witty artwork of this popular artist. Both designs are available as a wine glass as well as a martini glass, which is a brand new format for the collection.

The two never-seen-before pieces of art are: Frock and Fabulous and feature outrageously humorous quotes for which Erin is so well loved: *'I've been so busy being fabulous that I haven't aged a bit'* and *'When all else fails...just get your frock on/ love me, love my big closet'*.

The retro feel of Erin's photography lends itself perfectly to the new martini glasses pictured here. As a clever touch, the design is on the inside of the shallow martini glass, so that the decadent drinker can have a smile with every sip.
