

## Help spread happiness with the Disney by Britto collection

The vibrant Disney by Britto collection, which combines the fun and fantasy of some of Disney's most beloved characters with the exuberant designs of Brazilian Pop artist Romero Britto, is to expand in 2016. What's more, the collection is taking an exciting new direction introducing designs inspired by Britto's unique art of love, hope and happiness. The first four figurines expressing this distinctive bright and bold style depict the lovable Mickey Mouse in a variety of lively poses.

Britto's brilliant design for a new limited edition double figurine of Mickey and Minnie Mouse 'pops' with joy. Meanwhile, the stylish Daisy Duck makes her debut appearance alongside a study of the mischievous trio - Huey, Dewey and Louie Duck and Britto's dynamic decorations reflect their upbeat characters. The enchanting Genie from *Aladdin*, and the entertaining star of the black and white movies, Oswald the Rabbit, are also enriched by Britto's inventive Pop art inspired compositions.

Each Disney by Britto figurine is hand-painted and is presented in a branded gift box, making it a perfect present for a Disney or Britto enthusiast as well as a wonderful self-purchase.
