

## New characters join Enesco's Disney Showcase Collection

The dramatic and detailed haute couture collection from Enesco's Disney Showcase features glamorous Disney Princesses and favourite Disney Pixar characters, all captured in meticulous detail and luxurious hand-painted decorative finishes.

Making her debut onto Enesco's Disney Showcase Collection is 'Esméralda', from Disney's 1996 animated film *The Hunchback of Notre Dame*. This stunning 20th anniversary figurine depicts Esméralda in the red dress and shimmering star scarf; the fluidity and movement of the fabrics have been perfectly captured.

Also making a splash in the January launch is the new Disney Pixar **Finding Dory** figurine, which sees Dory and Nemo swimming their way into the Disney Showcase Collection in a faithful recreation of the characters. The shiny finish gives the figurines that all-important high sheen CGI effect.

The Disney Showcase Collection will be on show at the Spring Fair 5th–9th Feb 2017 NEC, Birmingham, Stand 4H80-J81.
