

***Frozen* joins A Moment in Time Collection by Border Fine Arts**

Frozen is the fourth addition to the prestigious collection, A Moment in Time, which launched in the summer of 2014 to acclaim. The exquisite sculptures in the limited edition collection by Border Fine Arts portray symbolic moments from classic Walt Disney films and are all made and painted by hand in the UK.

Released in 2013, *Frozen* is now the number one animated film of all time, and this captivating sculpture interprets the iconic scene in the film when Princess Anna, who has been struck by her sister Elsa's great powers and turned into ice, begins to melt. The emotions of Elsa, who weeps for the loss of Anna as she doesn't realise the ice is melting, has been sensitively captured in the study, *Frozen*, by the sculptor Peter Mook and design director Ray Ayres.

Every figurine is carefully and lovingly created by skilled artists in the Border Fine Arts studio in the Scottish Borders.
