

Pusheen® for Christmas... with GUND®

With millions of fans on social media — over 9.2 million Facebook likes, Twitter: 108K and Instagram 160K — Pusheen the cat is the star of her own extremely successful animated web comic series.

As the only official licensee of Pusheen soft toys, GUND uses its vast experience in creating high-quality toys to bring Pusheen fans a truly exceptional product range of irresistible accessories, back pack clips, and must-have cuddly characters.

New for June 2016, and expanding the 'snackable' theme of previous launches, the beloved grey tabby cat can now be seen licking the whipped cream off the top of her hot chocolate while wearing a festive Santa hat. Christmas is celebrated further with a cute Pusheen peeping out of a fluffy green Christmas wreath complete with red pom-pom baubles.
