

## Latest Gift Ideas from Lilliput Lane

Handmade and hand-painted in Great Britain, **Lilliput Lane** continues to bring the best that our architectural heritage has to offer. January 2016 sees an interesting and diverse mix of new introductions to many of the collections within the range and many with targeted gift-giving themes.

For gifts of love, especially Valentine's Day, why not choose our pretty forge, **Hearts Afire**, from the Warwickshire village of Thurlaston, after all the blacksmith's was always considered to be the heart of any village; whilst **Mum's Retreat**, an idyllic thatched riverside cottage in the peaceful Oxfordshire village of Drayton St Leonard, is the perfect Mother's Day, Birthday — or 'just because she's special' — gift.

Other highlights of the January launch include the 2016 Annual Special Edition, **Stay in Touch**, inspired by Budlake Old Post Office and only available during 2016; and **It's All in a Name**, Llanfairpwll Railway Station — famous for having the longest name in Britain: Llanfairpwllgwyngyllgogerychwynndrobwllllantysiliogogoch!
