

Kelly Rae Roberts' Latest Designs

January 2016 sees an exciting new launch from US artist, Kelly Rae Roberts, whose vibrant mixed-media collage style of beautiful heartfelt home accents is now very established and well known in the UK.

The artist came to London in 2015 as a panelist at the 'Makeartthatsells' event, an exciting one-day event that brought together leading experts from the art industry with artists from all over the world.

The January launch builds upon the most successful themes of Kelly's work — relationships (mother, daughter, sister) and attributes (joy, hope and healing, dreams and wishes) — whilst offering brand new formats too.

Highlights include three new figures, with messages of hope and healing, friendship and celebration; as well as three delicate Angel Chimes. We'll also see new formats of wall décor: with two Dragon Fly Wall Arts and two Wall Plaques, plus three Sculpted Angel Ornaments.
