

## Celebrating Twenty-five Years of the Border Fine Arts Society

2014 is already a most momentous year for Border Fine Arts, as it celebrates the fortieth anniversary of designing and making highly-detailed hand-painted figurines in the Scottish Borders! Not only that, but 2014 marks twenty-five years of the Border Fine Arts Society too!

*'We founded the Society after popular demand from collectors who were keen to find out more about our figurines and how they are made,' says Ray Ayres, Master Sculptor. 'It then quickly became apparent that our members were looking for special pieces that were only available to those who joined the Society.'*

Running from 1st June 2014 to 31st May 2015, the special anniversary Society year introduces some wonderful exclusive figurines to its members: free to all new and renewing members, **Secret Store** is an adorable study of a red squirrel with its hidden stash of acorns; whereas fallow deer are the subject of the twenty-sixth Member-only figurine; and there's also a special new loyalty figurine, **If the Boot Fits**, free for all members who have twenty-five years of continuous service.

With so much to celebrate, make sure you are a member during this very special year!
