

## Happy Birthday Peanuts™!

Available from Enesco, the Peanuts by Jim Shore Designs features the characters from the ever-popular Peanuts comic strip including Snoopy, Charlie Brown, Lucy and Woodstock™. Charles Monroe Schulz began drawing the comic strip in 1950. The second launch to the popular figurine collection includes a special celebratory piece and eleven other figurines. The witty personalities expressed by each piece are enhanced by Jim Shore's colourful folk-art inspired decorations.

In Hooray!, an iconic figurine to mark Peanuts' 65th birthday, Snoopy, Charlie Brown and the gang dance and sing in celebration. Cheerful Christmas themed pieces reveal Snoopy and his endearing friends full of festive spirit as they sing carols and take part in the Nativity Play. Additionally, two amusing models show Snoopy entangled in fairy lights as he trims the tree and with Woodstock adding the finishing seasonal decorations to his home.

Meanwhile, at an impressive 38.0cm in height the figurine, Friendship Comes in all Shapes and Sizes, is the perfect gift for friends.

Fans will have more to cheer about later this year, when The Peanuts Movie, a new animated feature from Blue Sky Studios will hit cinema screens worldwide.
