

Willow Tree® – Starlight Tree Topper/Figurine

"Growing up, my favourite time of year was Christmas. It was a chance — a time — for me to let my parents and siblings know how I felt about them. Making gifts was my way of expressing how much I appreciated them." Susan Lordi

"Christmas is all about giving... so I wanted the Tree Topper to give a presence of light. A star is such a strong Christmas symbol... perhaps that's why it has traditionally graced the top of the tree. Since the sun is also a star, I designed the Starlight Tree Topper with a sun-like shape... the sun, by its very nature, radiates warmth, energy and light. It draws us in; it brings us together." Susan Lordi

Susan's newest creation expresses her love of Christmas. The 12" Tree Topper holds a delicate, pierced metal star encrusted with glitter that catches the light and sparkles at every angle. The inside of the figure is hollow to accommodate the top branch of the tree. She stands as a warm invitation to gather and celebrate the holiday.

May be used as Tree Topper or as a Figurine.
