

Latest Border Fine Arts figurines and musicals inspired by Beatrix Potter's Tales

Border Fine Arts has been producing Beatrix Potter products since being granted the licence in 1987 and their collection has grown in both size and popularity ever since, offering exquisite hand painted figurines and functional items that are perfect for collecting and for gifts.

Ten delightful new introductions are launching mid year, inspired by favourite characters from Beatrix Potter's well-loved Tales, including two new ceramic 'classics', one featuring Mrs. Tittlemouse™ and the other Peter Posting a Letter, one of the most iconic images from the books.

There are three new resin 'mini figurines' including key characters Peter, Flopsy™ and Hunca Munca™ and a brand new character is added to the large figurines collection — Mr. Jeremy Fisher™ who is sitting on a lily pad.

In addition to these new items are four new Beatrix Potter musicals in characters: Peter Rabbit™, Flopsy™, Mrs. Tiggy-Winkle™ and Timmy Willie™. Made from ceramic, each musical plays an individual tune.
