

Catch the spirit of bygone times in the new VW collection by BRISA

Tarpaulin wallets, shoulder and messenger bags, ideal for everyday leisure and business travel, are set to join the VW Collection by BRISA. Celebrating the retro appeal of VW, the latest additions to the giftware collection include backpacks and shopper bags as well as a range of home accessories from aprons, bone china and enamel mugs to 3D magnets in the shape of the iconic Camper Van.

Nostalgic and much-loved images of the VW Type 1 Bus and the special edition VW Jeans Beetle decorate the new bags. The tarpaulin wallet, messenger and shoulder bags are available in red, black or blue, and the practical, denim-lined bags have an inner padded compartment to hold and protect hi-tech devices such as tablets and laptops.

Ever distinctive and ever fun, it's the details of the unique styling of the original VW Bus bonnet and boot that has inspired the witty design for the bone china mugs. Available in black and red, orange or green colourways, the mugs will become a firm favourite with those who cherish the spirit and love the style of bygone times.
