

Love Is Everything...with Enesco Gift's Circle of Love

January 2014 welcomes five striking new additions to the enduring **Circle of Love** collection from **Enesco Gift**.

Each new figurine features the trademark circular embrace; in **Let Love Surround Us** and **My One And Only** couples are embracing, entwined with love hearts and in **Loving, Devoted & True** a bride is swept up in the arms of her husband as the delicate pattern of her trailing wedding dress catches the light. In **My Love**, the female form blends harmoniously with delicate swirls and heart motifs.

Celebrating the special bonds of family that nurture and support us, **Love Is Everything** (pictured here) captures the essence of family love through the uplifting power of a mother's embrace. Such simple, elegant design coupled with sentiments of love, friendship and family ensure that these exquisite figurines remain the best choice for heartfelt gift giving, when sentiment and love is everything.
