

Introducing Kelly Rae Roberts' Latest Designs

Artist Kelly Rae Roberts continues to bring her unique vision of meaningful caricatures, uplifting sentiments, and mixed media collage style with the latest new introductions of her beautiful and heartfelt home accents.

An exciting new and highly giftable introduction to the line this season features twelve **Birthday Wish Angels**. Each angel holds, either a pretty daisy, butterfly or heart, features a birth gemstone relevant to each month, and is packaged in a beautiful branded gift box — ready for giving.

Also new, is a delightful range of wooden wall plaques featuring messages of encouragement, love and friendship, to help women to celebrate their relationships ('Mother', 'Friend', 'Daughter' and 'Sister'). Perfect for Mother's Day or birthdays, the **Mother Message Wall Plaque** (pictured) features a heartfelt message of love and appreciation for all that mothers do. All plaques can hang on a wall by the chain attached or rest on a shelf (peg easel included).
