

## Bedrock Meets Folk Art...

### With Latest Additions to Flintstones by Jim Shore

The 'modern Stone Age family' from Bedrock are back! Three fabulous new figurines are being added to the Flintstones by Jim Shore collection for January 2017, following the successful mid-year launch last year.

Capturing all of the humour of the original cartoons, the latest figurines have been inspired by three iconic scenes — Fred mowing the lawn (in other words pushing a grass-munching dinosaur!), Wilma pushing her daughter Pebbles in her pram and Dino jumping on Fred and licking his face.

Jim Shore has skilfully combined the authenticity of Hanna-Barbera's wacky characters with his own unique decorative style, ensuring that these latest additions will be loved by fans of Flintstones and Folk Art alike.

The Flintstones by Jim Shore Collection will be on show at the Spring Fair 5th–9th Feb 2017 NEC, Birmingham, Hall 4, Stand H80-J81.
