

Meet the New Bears Added to GUND®'s Core Range

By delivering quality, originality, and unparalleled huggability, GUND creates the most loved plush worldwide. For more than a century, GUND products have embodied the very spirit of a hug, making GUND the premier destination for premium plush.

For June 2015, GUND's Core range brings some adorable new characters which are guaranteed to be loved and will bring a smile to all! So, here's just three reasons to check out the GUND Core range today:

With his friendly face and soft colours, **Flynn™** (pictured) is available in three sizes, giving plenty of options regarding price and giftability. You'll love the new **Lil Bear™** too, a delightful chocolate-coloured bear who is just waiting for a hug. And, finally, there's **Bearsly™**, soft, white and looking ever so smart with his black ribbon around his neck.
