

Find the Brighter Side of Life with new Wanderlust™ giftware from About Face Designs

The new Wanderlust™ gift collection from About Face Designs combines time-honoured sentiments with bold design. Inspired by vintage enamelled signs, the collection of metal plaques and six mugs is nevertheless 'on trend' with its use of bright citrus colours and simple graphic images to convey the nostalgic messages of peace, love and goodwill.

The hand drawn designs interpret iconic and well-known sayings such as 'You are My Sunshine' and 'It is What it Is', in a vibrant style that's full of energy and optimism.

In square and rectangular formats and ranging in size from 4" by 4" to 9" by 12", the metal plaques offer personal declarations of love in 'Love You More' to more general messages such as 'Think Happy Be Happy' and 'Hope is an Amazing Gift', and are perfect ways of keeping 'tabs' on the brighter side of life.
