

## New Inspirational Gifts from Kelly Rae Roberts

DEMDACO's enchanting Kelly Rae Roberts giftware collection goes from strength to strength this summer, with the addition of six innovative gift books. Each beautifully illustrated full colour book is designed to co-ordinate with a figurine and to complement its uplifting sentiments. Amongst the six figurines are three new models - Dear Friend, Thankful Heart and Embrace Change.

Within the 32-page gift books, Kelly Rae's distinctive and intricate collage-based artistic style illuminates her thoughtful and inspirational text. Perfect for numerous gift occasions, for expressing gratitude and love, and acknowledging kindness and joy, the exquisitely created books include a card that can be personalised for the recipient.

The new Dear Friend pair of Gift Book and Figurine celebrates the loyalty and love underpinning friendship. The figurine is decorated with sentiments such as 'I count my lucky stars for you every single day' and the Gift Book continues the heart-warming messages, acknowledging how friendship encourages an individual 'to become who I was meant to be'.
