

## Chic and Wise – interior style from Cat and Owl

This summer sees the launch of the stylish Cat and Owl homewares collection from Allen Designs at Border Fine Arts Contemporary Gifts. Michelle Allen founded Allen Designs to share her love of the colourful, the witty and the eccentric in life by creating art that is both fun and functional.

Michelle's vibrant and expressive approach to art inspires her designs for The Cat and Owl Collection. Feathers, eyes, head, ears, wings, legs, raindrops and flowers are drawn in Michelle's bold and confident, doodling style, and highlighted in bright colours creating quirky and funky artwork that cleverly reveals the personality of the animals.

The chic cat and the wise owl decorate a range of mugs, plates, shopping bags, espresso cups and saucers and tea for one sets, all ideal for use around the home and guaranteed to banish many a dull day! Supplied with complementary gift packaging each Cat and Owl design will make a perfect gift too.
