

Cats Rule – their owners and now the home!

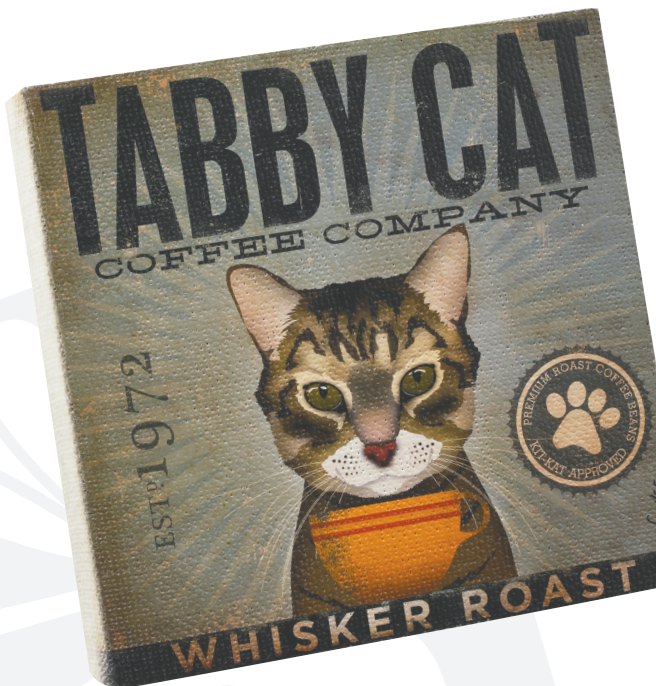

Cats have long been a favourite pet with the British nation, despite their somewhat secretive or even aloof nature.

The brand new Cats Rule giftware collection from DEMDACO®, designed by Stephen Fowler, recognises the truism, long known by their owners, that feline pets really do rule the roost! Stephen's lighthearted illustrations wittily combine the smart and often haughty personalities of different breeds of cats with popular images of food and drink.

Cats Rule giftware includes five different designs for Wall Art from Black Cat – Dark Roast Coffee to Siamese Cat – Superior Blend, as well as five key rings and two photo frames. Each design reveals Stephen's distinctive bold and graphic style inspired by retro advertising posters and album covers.
