

Willow Tree® – Around You Cake Topper

Around You is a tender and elegant sculpture of young lovers. With only three touch points, it communicates the excitement and electricity of romantic love. Carved completely in the round, the figures seem to turn around each other, so that from every angle, you get a different understanding of their shared feelings...

The **Around You Cake Topper** is ideal for wedding cakes. The round base with carved roses provides extra stability. Resin and paint are cured and lead-free, and all materials are tested to ensure food safety. However, they are not waterproof, so Hand Wipe Only to clean!

This is third Cake Topper in the Willow Tree collection.
