

More Magical Designs from Enchanting Disney

Enesco's Enchanting Disney collection celebrates the magic and charm of the most beloved of Walt Disney characters. Joining the collection this summer are four figurines – Cogsworth & Lumiere, Jiminy Cricket, Pinocchio and Goofy, as well as a colourful, porcelain snack set featuring the most famous mice in the world – Mickey and Minnie Mouse.

The new figurine Cogsworth & Lumiere, from the classic film *Beauty and the Beast*, complements last year's launch of Belle, and it reflects the quirky characters of this humorous pair of friends in their unusual guise of clock and candelabra.

As ever, the talented Enesco modelling team reveal their exceptional ability to bring to life iconic moments of each Disney adventure through colourful and witty observation of the stars of the films. Revel in Pinocchio's amazement as he discovers his long nose, admire the good spirits and wise personality of Jiminy Cricket, and enjoy Goofy's clumsy yet endearing nature with his over-sized hands and feet!
