

## A Posy Gift to Say It All!

Introduced in January 2014, About Face Designs' Posy™ Collection was created from beautifully dramatic flower photography taken at the famous Chicago Botanic Garden. 2015 see the collection explode with a riot of vibrant designs and new gifts. New accessories include 4" x 4" wall art, cushions, women's accessories (cosmetic bags and purses) and coaster sets. Each piece is truly a work of art, making the art of giving easy!

'Be-you-tiful' floral designs, such as the rose, sunflower and orchid to name but a few, are captured in all their natural beauty and fabulous materials have been used to full effect to ensure a luxurious item at a very affordable price.

The sumptuous cushions are printed on high quality canvas and linen with a durable synthetic blend. Posy fashion accessories feature elegant flower compositions and sweetly stated sentiments with glossy black glitter fabric. Bright, colourful and fun, they make perfect gifts for every day.
