

Music, Mystery and Derring-do...Latest Magnificent Meerkat Matters!

Expect more meerkat merriment as **Dolly**, **Robin** and **Poirot** join the Magnificent Meerkat clan in June. Each resin figurine is handmade and hand painted to the highest standards.

Taking a light-hearted look at some of the most illustrious meerkat heroes throughout the ages, Country Artists' Magnificent Meerkats series was first introduced in June 2010, and since then has amassed a huge following. Combining the curious human-like behaviour of the meerkat with highly recognisable personalities from history has proved a winning formula and the collection continues to go from strength to strength.

Each dynamic new personality is an instantly recognisable legend in his or her own right: Detective **Poirot**, impeccably dressed and ready to solve another mystery; glamorous country and western star **Dolly**, dressed to impress and ready for her next performance and everyone's favourite hero, **Robin**, complete with green tights and bow and arrow.

Amusing, human-like in demeanour and truly Magnificent — that's a Meerkat for you!
