

Time Flies When You're Having Fun

With a heartfelt desire to 'put the fun in function' Michelle Allen's distinctive clock designs combine the need to tell the time with humour, making them excellent gifts for any occasion. Each clock is made from resin and hand painted in eye-catching colours.

Four new clocks are the latest witty designs from **Allen Designs** for January 2014. **Cat Nip** features a quirky cat, always a favourite subject, who looks comical with his tongue hanging out as a pendulum. Then there's **Spring Bouquet**, which sees an old teapot being put to a new use as an elegant vase.

Proving that time really does fly when you're having fun, **Mariposa** is a striking butterfly painted in the most beautiful bright colours and **Flew The Coop** depicts a wacky cockerel who has done just that and is heading straight for your home!
