

## A Snowbabies™ 'Selfie' just for you!

The adorable and popular **Snowbabies** collection brings endearing personality to the sweet simplicity of childhood frolics. The special touches and cherubic faces of the figurines make them irresistibly joyful and the perfect choice for gift giving or collecting.

For June 2015 there is an array of charming new porcelain bisque figurines ready to enchant — all enhancing the important themes of this year: Angels, Woods, Santa and Family.

Highlights include: **Baking in the Kitchen with Santa**, a delightfully festive hand-painted scene with delicious cupcakes — the perfect recipe for festive cheer — finishing touches include real knitted hats with pretty holly details. Both **Prince of the Parade** and **Regal Ride** feature gold, glitter and crystal diamanté, for an extra special sparkle of fun. And last, but not least, **Selfie**, embracing modern-day culture and celebrating friendship.
