

Hairy Coos are the Coo-lest gifts ever!

The Hairy Coos - Highland cows and calves dressed with Scottish flair in winter warmers and chic accessories - are one of the most loved of Border Fine Arts gift collections. Whatever the occasion there's a fashion-conscious cow to raise a smile and lift the moo'd!

Five smart new coos join the hairy herd in 2016 and cheekily three of the new figurines don onesies to impersonate other cattle breeds - Graeme keeps warm as a Galloway Cow whilst Bailey and Jamie make fine Ayrshire Cows! Meanwhile, Aaron sports a smart plaid cap and Bridget is waiting for the sun to shine in her mauve trimmed straw hat.

Hairy Coos are a witty breed that evolved from imagining a series of bespoke adventures for Highland cattle, and customising their distinctive horns, absentminded expressions and shaggy coats with colourful and cosy attire.

Each Hairy Coo is packaged in a glossy white box with bright logo sticker, making a-moos-ing gifts for friends and family alike.
