

Enesco's Wild about Words collection reveals typographic magic!

The Wild about Words Pet collection, created by Belgian designer Dominique Vari, is an innovative range of contemporary gift and home wares. Comprising mugs, pet feeding bowls, picture frames, wall art and tote bags, the collection is destined to warm the heart of many a pet-loving home.

Dominique's inventive design style is inspired by her background in typography and by her flamboyant passion for words. Her illustrations of favourite breeds of dog and friendly cats use carefully chosen phrases; by varying the size and shade of selected words within the design, Dominique performs 'typographic magic' to reveal messages such as 'top dog', generating a positive spirit in people's minds.

The Chihuahua, Retriever, Terrier and Poodle breeds are featured in the Wild About Words Pet collection, with spots of vibrant colour to collars and leads, which also harmonise with mug interiors, add witty elements to the designs. Meanwhile, Dominique's feline illustrations featuring Playful and Sitting Cats are combined with red accents to make dramatic wall art.
