

## Starry Night Nativity...and Heaven and Nature Sing

It's fifteen years since the launch of Susan Lordi's prized Willow Tree® brand and to celebrate, this award-winning artist created the **Signature Collection**, which launched in January 2015.

*'I've always wanted to create a story that could unfold from a box.'* says Susan Lordi and collectors will be delighted by this jewel-in-the-crown 'signature piece' for the Signature Collection, which is now available in the UK for the first time.

Not just for Christmas, **Starry Night Nativity** is versatile; with as much visual interest when the doors are closed as when they are opened, it can be displayed all year round. The piece can hang on a wall, or sit on a mantel, or table, and the hinged doors open flat or at an angle.

*'I wanted 'Starry Night Nativity' to have that element of surprise. I also wanted this to be a special piece, that would be kept for a long time, or possibly handed down within families.'*

This fabulous piece comes packaged in a custom-designed, distinctive and celebratory Signature Collection gift box.
