OUR NAME IS MUD

LOLITA
GLASSWARE ARTIST

BEHIND THE Details

Lolita drinkware started with a girl's night out with her good friends. While browsing through the martini menu, Lolita was inspired by the recipes. She watched each of her friends order a distinct martini that reflected their personalities. Her creative imagination made her see the glass differently — with flair and a fabulous recipe on the bottom. Today, her successful brand has grown into one of the most popular gift brands for celebrating moments with friends and family!

LOLITA®

Every Lolita Glass is hand-crafted and blown so no two are identical. The beautiful designs throughout the collection are achieved by applying multiple layers of non-toxic, food grade paint by hand. Some glasses have up to 100 hand-glued crystals added to them to create their glamorous designs!

All Lolita glasses are recommended hand wash only. Not suitable for the dishwasher.
