

### Endearing large scale figurines of Disney's stars join Enchanting Disney collection

Large size Statement Figurines, Water Balls and Money Banks portraying some of the most loveable of Disney characters are to join Enesco's Enchanting Disney collection in January 2015.

The impressive Statement Figurines range from 25cm in height to 51cm and bring the personality of Disney characters to life – from the innocent charm of Bambi and Thumper to the mischievous humour of the Seven Dwarfs as they protect the beautiful Snow White. Taking inspiration for pose and costume from iconic moments in the classic films, the superb figurines are full of imaginative and witty detail. In addition, each of the Seven Dwarfs carries a lantern with a working LED light (powered by replaceable batteries), perfect for creating a magical twinkling effect at night-time – even in the garden, as each is protected by weather-proof coating.

Mickey and Minnie Mouse, Tinker Bell, Dumbo, Bambi and Disney Princesses – Cinderella, Snow White and Aurora – feature in the extended Water Ball Collection, with the base of each piece adorned with colourful motifs inspired by the storyline of each character.
