

Heartfelt Valentine's Messages from Bea's Wees

Valentine's gifts are made easy with the new romantic collection from Bea's Wees by Enesco. With their sweet and direct messages, the trio of Bea's Wees – 'It's all yours', 'Sweet heart' and 'Be mine?' – may be tiny in scale but their big personalities are sure to make an impact.

Bea's Wees are designed by self taught artist and crafter Natalie Kibbe, who draws on her experiences as a wife and mother for their inspirational messages. It's the tiny details that make Bea's Wees distinctive, from the typewriter font messages that are hand placed on every wee to their unique colour combinations and hats with fun attachments.

'Be mine?' has a cupid's arrow piercing her hat ensuring the Valentine's message is loud and clear, 'Sweet heart' has a cute little heart decorating her pink hat and 'It's all yours' in romantic red is unmistakably giving away her heart.

Bea's Wees come in a craft bag with a tie string creating an instant gift.
