

Latest James Herriot Figurines Inspired by Tales of the World's Favourite Vet

Border Fine Arts has been reproducing scenes from James Herriot's well-loved stories for many years now in the form of highly detailed figurines and home accessories. Two new figurines are being added to this popular collection for January 2016. Each piece is hand crafted and hand painted bringing to life the humour and characters from the tales of the world's favourite vet.

Warm & Cosy: the faithful collie enjoys nothing better than a good walk with his master, but by far the best part is sitting in front of the Aga when they get home. The cat has to agree — there's simply nothing as good as that *'warm and cosy'* feeling.

Just Kidding About: sometimes, it really does seem that there is not a moment's peace in the farmyard for the poor hen, who is suddenly alerted to what sounds like hail stones on the top of the hen house — but it's not, it's that young Billy *'just kidding about'*!
