

Merry Heartwood Creek-mas!

Created for Enesco, Heartwood Creek is one of the most recognizable brands of collectibles in the world. The enormous popularity of award-winning artist, sculptor and painter Jim Shore is the result of a lifetime of dedication, inspiration and hard work and showcases his passion for American and European folk art.

June 2014 sees a wonderful selection of new Christmas and Nativity figurines to delight collectors of this admired brand — from a host of holy angels to a sack-full of Santas — plus, with stacks of new hanging ornaments too, there's plenty of new ways to decorate your home this Christmas.

Pictured here, Jim Shore's regal nativity set is an elegantly styled depiction of the Biblical scene at the heart of Christmas. Each of the ten beautifully handcrafted pieces features rich hues accented in gold and Jim's signature rosemaling design. So, this Christmas, bring some joy into your life, the Heartwood Creek-mas way!
