

Puppy Love...from Peanuts™ by Jim Shore!

Designed to evoke nostalgic moments we've all grown up with, Peanuts by Jim Shore celebrates our favourite comic strip characters Charlie Brown, Lucy, Snoopy, and the rest of the gang in colourful hand-crafted figurines styled by one of America's leading folk artists.

'Peanuts is a tradition in my house.' Says Jim, 'The characters are so familiar, friends who make us laugh, touch our hearts and sometimes make us look in the mirror. It's humour with a foundation of decency and good will, a heartfelt look at life that never forgets we're all in this together.'

New for January 2017, **Puppy Love** is the ideal gift of love. Snoopy is depicted selecting the perfect card for his Valentine. He sits on a heart-shaped base, which features a romantic red and pink colour palette, and the whimsical folk-art designs that are unmistakably Jim Shore. Snoopy 'Love' pieces have proved very popular in previous years.
