

Latest SANTORO®'s Gorjuss™ — to be Cherished for a Lifetime!

Since its launch in January 2014, the SANTORO®'s Gorjuss™ collection of keepsakes portraying whimsical stripy-socked girls expressing heart-warming sentiments continues to go from strength to strength. Four captivating new figurines are added to the collection for the Autumn 2015 Launch — **The Hatter, I'm Falling For You, From The Heart** and **Little Song**.

The Hatter is a colourful, whimsical figure with wonderful attractive detail and character. **I'm Falling For You** is a tender figure conveying the feeling of love. **From The Heart** is a wonderful greeting from one to another. **Little Song** is a charming design, expressing the sweetness of the love of music.

Taken from the beloved SANTORO®'s Gorjuss™ artworks, each exquisite gorjuss girl is created for its new owner to love and to treasure for a lifetime. Highly skilled sculptors interpret the details, shapes and sentiments included in original two-dimensional artwork to make each gorgeous 3D figurine. The world of SANTORO®'s Gorjuss™ is brought to life by talented artists who hand paint each sweet study, carefully following the colours and motifs used in the beautiful drawings.

Destined to be the treasures of tomorrow, every SANTORO®'s Gorjuss™ figurine comes gift packaged with an information leaflet and a gift card for a personal message.
